

Work Experience Permission Slip

About the Work Experience:

Faith 2 Faith Ministries International is offering high school students the opportunity to change their communities by working along side of us in our office in Montville, CT. f2fmi is offering Community Service hours to high school students who have several hours per week to volunteer for our ministry. They will help with general office tasks, small projects for our radio programs and events and get the opportunity to learn a bit about what we do. Hours and times are flexible to accommodate student schedules.

Cut and Return to our office

Dear f2fmi Team,

Yes, my son/daughter, _____ has my permission to participate in f2fmi's Work Experience Program. I commit to helping my teenager get to his/her commitment to f2fmi during the duration of the Work Experience.
