

**TOM MIYASHIRO** is an author, speaker and radio personality. He has a passion for making a difference in the lives of teenagers and has dedicated his life to this purpose. Tom is an Evangelist and the founder of ***Faith 2 Faith Ministries International*** and also serves as the Schools

Work Coordinator for ***LifeFAQs***, an organization aimed at improving the lives of students through character education.

After giving his life to Christ in 2007, Tom ran hard after God. Tom attended Bible College and went on to do his Masters degree in England. He married his first British convert, Amy Ford in 2003 and the two lived together in both the UK and the US doing ministry together. Then, in 2006 Amy was diagnosed with brain cancer. The two clung to each other and the cross and just after four years of battling the disease, Amy went home to be with Christ. Knowing that Jesus has the ultimate power of life over death, Tom proclaims the good news that Jesus Christ is alive and that He alone has the power to conquer suffering, sickness and sin and offers us the gift of eternal life.
